

## Facial Box Script to use with a Business Owner, or Manager

---

Hello! My name is Rose with Mary Kay! I am fairly new to the area.... **OR** I want to grow my business in this part of town.... Your clients are the clients that I would love to work with in my business. I would LOVE to partner with you. What I would like to do is put this facial box in your store here, so that your clients will be able to sign up for a free facial and a chance to win a \$10 gift certificate from your store. I will purchase the gift certificate from you, so your clients will in turn, stop in your store, to redeem the gift certificate that they received from me. Is there any reason why I can't just leave this facial box with you right now? I will be in every week to check it. Thank you SO much!
